

Guidelines for Contributors

1. Manuscripts submitted to English Text Construction (ETC) must be written in clear, concise, grammatical English. If not written by a native speaker, it is advisable to have the paper checked by a native speaker.
2. All articles published in ETC are anonymously peer reviewed. Manuscripts should be submitted electronically to keith.carlon@uclouvain.be. The file format may be either MS Word (.doc or .rtf) or PDF. The first page should contain the title of the article; the name, affiliation, address and e-mail address of each author, and a self-contained abstract in English of max. 120 words.
3. Upon acceptance, the author will be requested to furnish the final version in either .doc or .rtf format.
4. Authors are responsible for observing copyright laws when quoting or reproducing material. The copyright of articles published in ETC is held by the publisher. Permission for the author to use the article elsewhere will be granted by the publisher provided full acknowledgment is given to the source.
5. Papers should be reasonably divided into sections and, if appropriate, subsections. The headings of these subsections should be numbered in Arabic numerals (1;1.1;1.1.1).
6. Spelling should be British English or American English and should be consistent throughout the paper.
7. Line drawings (FIGURES) or photographs (PLATES) should be submitted as reproducible originals. They should be numbered consecutively, and appropriate captions should be provided. Reference to any figures and plates should be given in the appropriate place where they should appear. TABLES too should be numbered consecutively throughout the paper.
8. Notes should appear as footnotes and should be concise, kept to a minimum, and be numbered consecutively throughout the paper.
9. References in the text should follow the style (Shillingsburg 1997: 147). The REFERENCES section should list all references cited in the text. Note the following examples:
